LAWS RELATING TO ORCHARDS AND VINEYARDS.

AN ACT to authorize and regulate a county agricultural department. (Act 67, P. A. 1913.)

§ 7854. Section 1. *The People of the State of Michigan enact:* The boards of supervisors of the several counties of this state are hereby authorized to appropriate from funds of their respective counties, or to assess and cause to be spread upon the taxable property of their respective counties, a sufficient sum of money to carry out the purposes of this act: *Provided, however,* That there shall not be so appropriated, raised or assessed in any county in any one year more than fifty cents on each one thousand dollars or major portion thereof of the assessed valuation of the real and personal property of such county, but in no case to exceed two thousand dollars, in addition to the salary mentioned in this act.

Appropriations.

Proviso, limit.

§ 7855. Sec. 2. Each of said boards of supervisors so making such appropriation or assessment, shall also elect one qualified person for each county, respectively, to be known as farm commissioner, who shall hold his office for two years and shall receive such annual salary as said board of supervisors shall determine, not exceeding two thousand dollars.

Farm commissioner, term, salary.

§ 7856. Sec. 3. The fund so appropriated shall be known as the farm development fund, and the same may be used to enable said commissioner to defray his actual expenses, aside from salary, and carry out the purposes of this act.

Farm development fund.

§ 7857. Sec. 4. The salary of such commissioner shall be paid out of the general fund of such county, and as other county salaries are paid.

Salary, how paid.

§ 7858. Sec. 5. Such commissioner shall be a person not less than twenty-five years of age, an experienced practical man who, in the opinion of said board, is versed in all matters pertaining to farming pursuits, the growing of agricultural products and fruits suitable in such county, and one who is versed in the knowledge of soil fertility, rotation of crops, fertilizers and fertilizing, and possessing a knowledge of the kind of crops best adapted to the various soils and conditions of such county.

Qualifications.

§ 7859. Sec. 6. Such commissioner shall, before entering upon the duties of his office, execute the constitutional oath of office and file same with the county clerk of such county; and shall also before entering upon such duties execute and enter into a bond in a sum to be fixed by said board

Oath of office.

of supervisors, not less than one thousand dollars nor to exceed double the sum appropriated in the then current year, said bond to be signed by at least two sureties and approved by the county treasurer of the county, conditioned for the faithful performance of his duties and the accounting of all funds and moneys, material and apparatus coming into his hands; which bond shall run to the board of supervisors of such county and shall be filed in the office of the county clerk thereof, and action may be brought thereon for violations of its conditions and provisions, the same as on other county officers' bonds running to said board.

Fund, how raised, etc.

§ 7860. Sec. 7. The fund created by this act shall be raised and collected as are other taxes for county expenses, and paid over to the county treasurer, and by him kept separate from all other funds, and to be paid out only on the order of said farm commissioner or transferred to the general fund of such county as hereinafter specified.

Expenditures, account of, etc.

§ 7861. Sec. 8. Such commissioner shall keep an accurate account of all of the expenditures by him made from such fund and of the orders drawn thereon, and he shall make annual report of all such expenditures and orders drawn, and of his doings and actions in full to the board of supervisors of such county at each annual October meeting thereof.

Duties of commissioner.

§ 7862. Sec. 9. The duties of such commissioner in general shall be as follows:

a. To be of every material benefit and assistance to the farming and fruit interests of his county;

b. To render advice and instruction to the people of the county who need help most, to make for successful cultivation and cropping of the soil for all products grown therefrom;

c. To contract with farmers and fruit growers throughout the county for demonstration and experimental purposes for acreage of ground and orchards or small fruits, to the end that each farmer or fruit grower so contracted with will fertilize, fit for crops, plant and sow to crops and care for and harvest the same in accordance with the instruction and direction of such commissioner, but without compensation; such farmer to have the crop grown thereon and to keep such records and data concerning the same, as to the kind of seed and fertilizer used, cultivation, rain fall on same, harvest, care and yield of crop and other information as such commissioner shall require;

d. Such commissioner to so manage and keep records of each tract that each may be such a demonstration and experiment station in itself as to tend to bettering future conditions;

e. To instruct as far as possible the inhabitants as to important farm questions relating to soil fertility, crop rotation, fertilizers (crop and commercial), kinds of crops best adapted to various soils, and in every way to raise and improve the standard of farming and fruit growing;

f. To work in conjunction with the Michigan agricultural college (Commissioner of Agriculture) or any governmental or state aid that may be secured by federal or state appropriations for similar purposes;

g. To stimulate interest for more scientific farming and fruit growing, and in every reasonable and practical way raise the standard of farming and fruit growing in such county:

§ 7863. Sec. 10. Said commissioner shall keep an office in such county, and there keep on file and for public examination in systematic form, records, data and results of the various experiments and demonstrations in such a way as to be of the greatest benefit to the public, and to turn over to his successor in office all the records, files and documents, fixtures, apparatus and material of his said office which shall belong to the county. Office.

§ 7864. Sec. 11. Such commissioner may enter into contracts with farmers and fruit growers in his name of office, and sue them for violations thereof in his name of office, and may employ such assistants as he deems necessary to carry on the work outlined by this act to the best advantage: *Provided, however,* That said commissioner shall devote substantially his whole time to said work, and shall not expend portions of such development fund for other assistants, except when the same are necessary to carry out the purposes of this act to the best advantage and benefit of the people. May contract with farmers, etc.
Proviso.

§ 7865. Sec. 12. Such commissioner is authorized to purchase such reasonable office fixtures and supplies and record books as are necessary to carry out the provisions of this act, and is authorized to purchase such reasonable supply of apparatus and chemicals and material as is necessary for him to test soils, fertilizers, spraying materials and seeds, and carry on experiments; but he shall make no charge for such testing nor for any other services performed under this act, and he shall receive no other or further compensation or fees than such as are prescribed by this act; *Provided, however,* That if such commissioner can procure adequate tests of above materials, soils, etc., at the agricultural college of the state, it shall be the intent of this act that he shall so do, and only purchase material for or hire such tests made as are necessary for adequate and efficient service in the work of his said office. Office fixtures etc., may purchase.
Proviso.

§ 7866. Sec. 13. The board of supervisors of each county having appropriated or raised funds under this act may discontinue the office, and discontinue the raising of further funds thereunder by a resolution of such board adopted by a majority of the members thereof: *Provided, however,* That such action shall not terminate the office or salary of any commissioner elected thereunder until the expiration of his term of office as provided herein: *Provided, further,* That the said office shall not be terminated except by Supervisors may discontinue office.
Proviso.
Further proviso, referendum.

a referendum vote the same as is provided in section fifteen for its adoption.

Funds, where applicable.

§ 7867. Sec. 14. No funds appropriated or raised under this act shall be used for contribution to agricultural societies or any other purpose than that prescribed in this act: *Provided, however*, That if such office and work should be discontinued by resolution of the board of supervisors, then in that case all moneys remaining in such development fund shall thereupon be by such county treasurer transferred to the general fund of such county: *And provided further*, That funds raised under the act may, by resolution of the board of supervisors or by order of said farm commissioner, be appropriated or used to comply with and in cooperation with any state or governmental requirements for agricultural development, demonstration or experimental work in each county respectively.

Proviso.

Further proviso.

Referendum.

§ 7868. Sec. 15. The provisions of this act shall not apply in any county of this state until the question of adopting the same shall have been submitted to the qualified electors thereof. Such question may be submitted either by resolution of the board of supervisors or upon petition, signed by not less than five per cent of the qualified electors resident in such county, addressed to said board. Upon receipt of such petition it shall be the duty of the board of supervisors to submit the question at the first general election held after the meeting of the board at which the petition is presented, or at a special election called for that purpose. Ballots for the submission of such question shall be prepared and distributed by the same officers as are required by law to prepare and distribute ballots for county elections, and the canvass and return of the vote thereon shall be the same as is provided by law for the canvass and return of the vote upon county officers. If upon the canvass of the votes upon such question it shall appear that a majority of the electors voting thereon, are in favor of the adoption of the provisions of this act in their respective counties, then this act shall be in full force and effect in such county and not otherwise.

Ballots.

AN ACT to prevent the importation from other states and the spread within this state, of dangerous insects and dangerously contagious diseases affecting trees, shrubs, vines, plants and fruits, and to repeal all acts or part (parts) of acts that contravene the provisions of this act.

(Act No. 91 P. A. 1905.)

Infected trees, unlawful to keep.

§ 7411. Section 1. *The People of the State of Michigan enact*: It shall be unlawful for any person or persons, firm

or corporation, knowingly, to keep upon their premises, or upon premises under their control or charge, any trees or fruit infected with the diseases known as peach yellows, rosette, or little peach, or any part of the tree infected with the diseases known as black knot, or pear blight, or any tree, shrub, plant, vine or fruit infected with any other dangerously contagious disease, or infected with the San Jose scale, canker-worm, or any other dangerously noxious insect pest. It shall be unlawful for any person or persons, firm or corporation knowingly, to sell or offer for sale or give away, any tree, shrub, plant, vine or fruit infected or infested with any dangerously infectious disease or noxious insect. For the purposes of this act, the following terms shall be construed respectively to mean:

Unlawful to sell.

Terms construed.

(a) Nursery stock.—Trees, shrubs, vines, fruit plants and hardy herbaceous perennials; also cuttings, grafts, scions and buds for purposes of propagation;

(b) Nursery.—A place where nursery stock is grown for sale.

(c) Nurseryman.—The owner or manager of a nursery, who issues a catalogue, advertises, or in other ways makes a business of selling nursery stock;

(d) Dealer in nursery stock.—A person who does not grow, but who buys and sells nursery stock;

(e) Nursery agent.—The representative of a nurseryman or dealer in nursery stock;

(f) Persons.—Individuals, associations, partnerships and corporations;

(g) Words used in this act shall be construed to import either the plural or singular, as the case demands.

[Am. by Act 241, P. A., 1921.]

§ 7412. Sec. 2. The State Board of Agriculture (Department of Agriculture) shall, upon the passage of this act, appoint some competent person to be known as state inspector of orchards and nurseries, who shall hold office for two years, and whose duties shall be as hereinafter prescribed. He shall have power to appoint such number of deputy inspectors as may be necessary, subject to the approval of the State Board of Agriculture (Department of Agriculture.) Said deputy inspectors shall act under the orders of, and shall perform such duties as may be directed by the state inspector of orchards and nurseries. The salary, or per diem, of the state and deputy inspectors shall be fixed by the State Board of Agriculture (Department of Agriculture.)

State inspector of orchards, who to appoint.

Deputies.

Salary or per diem.

§ 7413. Section 3. Any person or persons, firm or corporation, growing or offering for sale, in this State, any trees, shrubs, vines, fruit plants, hardy herbaceous perennials, also cuttings, grafts, scions and buds for purposes of propagation, commonly known as nursery stock, shall, on or before the first day of August in each year, apply to the Michigan State Board of Agriculture (Department of Agriculture) for the in-

Inspection of stock.

License fee. inspection of said stock under the provisions of this act, and for a license for its sale. A license fee of five dollars shall be paid, and a bond for one thousand dollars, with sureties satisfactory to said board (Commissioner of Agriculture) and conditioned upon the compliance with the requirements of this act, shall be filed. No nursery stock shall be shipped or delivered until it has been examined by the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) of a deputy inspector, and has received a certificate as hereinafter provided. All growers or dealers in nursery stock, shall, upon demand, file with the State Board of Agriculture (Commissioner of Agriculture) a list of the persons to whom they have sold or delivered any nursery stock, giving the species, which list shall be for the sole use of the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) and his deputies: *Provided*, That the provisions of this section shall not apply to persons engaged in fruit growing, who are not nurserymen, but desire to sell or exchange surplus small fruit plants of their own growing: *Providing further*, That the provisions of this section shall not apply to farmers or other persons who may sell shade trees from their own wood lots.

List of purchasers, to whom furnished.

Proviso.

[Am. by Act 241, P. A., 1921.]

Dealers must secure license and certificate. § 7414. Sec. 4. No person or persons, firm or corporation, residents of another state, territory, province or country, shall engage or continue in the business of selling, or taking orders within this state for the sale of any trees, plants, shrubs or vines, commonly known as nursery stock, without first obtaining from the State Board of Agriculture (Department of Agriculture) a license as provided for in section three of this act, and filing a certificate of inspection from a state or government officer, or some person designated by the Michigan State Board of Agriculture (Department of Agriculture.)

When license to be issued. § 7415. Sec. 5. The State Board of Agriculture, (Department of Agriculture) shall, upon the receipt of the required fee and a satisfactory bond and certificate of inspection, issue a license to each applicant, whether a resident of this state, or of another state, province, or country, permitting the sale of nursery stock by the holder, or by his accredited agents, for the period ending the thirty-first of July following the date upon which said license goes into effect.

State inspector, duty of. § 7416. Sec. 6. It shall be the duty of the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) to examine all nurseries in the state, at least once each year, for the presence of San Jose scale and other dangerously injurious insects and diseases. If found to be apparently free from such dangerous insects and diseases, a certificate to that effect shall be given the owner, upon the payment of an inspection fee sufficient to defray the per diem of the inspector. Said certificate shall be void on the thirty-first

When certificate of inspection given.

day of July following. In case any dangerous insect or infectious disease is found upon any nursery stock, the inspector shall order and enforce such treatment as may be deemed sufficient to exterminate such insects or diseases before granting a certificate. If a subsequent examination shall show the stock to be infected, or infested, the certificate may be revoked.

Certificate may be revoked.

§ 7417. Sec. 7. Whenever a nurseryman or other person shall ship or deliver within this state, except for scientific purposes, any trees, shrubs, plants or vines, commonly known as nursery stock, he shall place upon each car, box, bale or other package, a copy of a certificate of inspection, the original of which is signed by said inspector. Failure to do this, or the illegal use of said certificate by changing, defacing, or placing it upon uninspected stock, or using the same after it has expired, or been revoked, shall render the shipper or owner liable to the penalties prescribed for a violation of this act. Dealers in nursery stock purchased from other firms may, upon filing with the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) duplicate copies of the certificates of inspection issued upon the stock grown by said firms, and on the payment of a fee of one dollar, receive a certificate showing that the stock has been inspected. Said certificate may be used for the shipment of nursery stock that has come to them accompanied by a certificate of inspection, but for no other. Nurserymen may ship under their own certificate of inspection any stock that has come to them later than the first day of the previous August accompanied by a certificate of inspection, and, if from another state, territory, province or country, by a certificate of fumigation as required by this act.

Nurserymen to place copy of certificate on packages, etc.

When liable to penalty.

How dealers may receive certificate for stock purchased.

When nurserymen may ship under their own certificate.

§ 7418. Sec. 8. If any nursery stock of species subject to the attack of the San Jose scale, has been grown within one-half mile of where the San Jose scale exists, or has been known to exist within two years, it shall, before it is shipped or delivered, be fumigated with hydrocyanic acid gas of the strength commonly used for such purpose, for not less than thirty minutes. All trees, plants, shrubs and vines, of species subject to the attack of the San Jose scale, shipped into this state from another state, territory, province or country, must be fumigated with hydrocyanic acid gas in the usual manner, and each car, box or bale, in which said nursery stock is shipped, shall have upon it a certificate signed by the shipper stating that such fumigation has been given in addition to the usual certificate of inspection.

When stock to be fumigated.

Certificate attached to box or car, what to state.

§ 7419. Sec. 9. The owner of any nursery trees, vines, shrubs or plants, upon receiving notice from the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) and that any, or all of them, are infected or infested with dangerous insects or diseases, shall, within the time specified in such notice, take such steps as will fully comply

with the orders of the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) and he shall not ship or deliver any such trees, vines, shrubs or plants, until after they have received such treatment, and until they shall have been re-examined and a certificate of inspection has been granted.

Inspector to make complaint and seize stock.

§ 7420. Sec. 10. Whenever it shall happen that the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) shall give the notice heretofore required to the owner of nursery stock, for the destruction of the insects or diseases mentioned, and said owner shall fail or neglect to take the measures necessary for the destruction thereof, within the time mentioned in the notice given him, the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) shall enter complaint against said owner and may seize and take possession of said infected or infested nursery stock. Such seizure may be made without a warrant. Said infected or infested nursery stock shall be disposed of in such manner as may be directed by the court before whom the offense is tried, or by any court of competent jurisdiction.

How seized stock disposed of.

Stock from other states to have label and certificate attached.

§ 7421. Sec. 11. Whenever any trees, shrubs, plants or vines, commonly known as nursery stock are shipped into this state from another state, territory, province or country, every package thereof shall be plainly labeled on the outside with the names of the consignor and consignee, and the character of the contents, and certificates shall be attached to each package showing that the contents have been inspected by a state and government officer, and that they have been fumigated in the usual manner with hydrocyanic acid gas. If any trees, shrubs, vines or plants, commonly known as nursery stock, are shipped into this state without such certificates being plainly fixed on the outside of the package, box or car containing the same, the fact must be reported within twenty-four hours to the Michigan State Board of Agriculture (Department of Agriculture) or its regularly appointed inspector, by the railway, express or steamboat company, or the person or persons carrying the same; and any agent of a railway, express or steamboat company, or any other person or persons, who shall fail to comply with the provisions of this section, shall be deemed guilty of a misdemeanor. The State Inspector of Orchards and Nurseries (Commissioner of Agriculture) shall have authority, when he has reason to believe that nursery stock, that has been shipped into the state, or shipped by some nursery in the state, is infested or infected with dangerous insects and diseases, to examine the same and, if found to be infected by any dangerously contagious disease, or infested with dangerous insects, such stock may be seized without a warrant as a public nuisance. The shippers shall be notified of the seizure, and orders shall be given him to either destroy the stock or to give it effectual treatment. If

Misdemeanor, what deemed.

When inspector may seize stock.

Notice to shippers. How stock disposed of.

this is not done within five days, complaint shall be made to some court having competent jurisdiction and said infected or infested stock shall be disposed of in such manner as may be directed by said court.

§ 7422. Sec. 12. It shall be the duty of the State Inspector of Orchards and Nurseries (Commissioner of Agriculture), whenever it shall come to his knowledge that San Jose scale, canker worm, peach yellows, rosette, little peach, black knot, or pear blight, or any other noxious insects or dangerously infectious diseases exist, or are supposed to exist, in any orchard, or upon any trees, shrubs, vines, plants or fruits in this state, to investigate the case and if such dangerous insects are found, he shall notify the owner, or his agent, in writing. The notice shall consist of a simple statement of the facts as found to exist, with an order to uproot and destroy in such manner as may be indicated, all trees infected with yellows, little peach, or rosette, or to cut off and burn the portions infected with black knot and pear blight, or if attacked by San Jose scale or canker worm, to effectually spray the trees, or to use such remedies as may be prescribed for other dangerous insects and diseases within five days, or such time from the date of the service of the notice as may be designated: *Provided also*, That no such spraying shall be done while said fruit trees or vines are in blossom, except in case of canker worm. In the case of fruit infected with yellows, the notice shall require its immediate destruction. Failure to comply with the requirements of said notice shall render the owner or agent liable to the penalties prescribed for the violation of this act. The State Inspector of Orchards and Nurseries (Commissioner of Agriculture) is hereby authorized and empowered to prohibit by proclamation the importation into this state of any tree, shrub or plant which has been grown or propagated in any state, province or country, or in any place where it shall be determined by the said state inspector of orchards and nurseries, (Commissioner of Agriculture) after due investigation, that there exists and is prevalent to a dangerous extent any plant disease or destructive insect which is liable to, or capable of spreading to, and infecting the trees, shrubs and plants of this state, and which may be carried and transported to and into this state on or in trees, shrubs or plants there grown. It shall be the duty of said Inspector of Orchards and Nurseries (Commissioner of Agriculture) upon the making and promulgation by him of any such proclamation to forthwith mail a copy thereof to each railroad company doing business in this state, and to publish a copy thereof in a newspaper published in the city of Detroit, in the city of Grand Rapids, and in the city of Lansing, and any person, firm or corporation, or common carrier which thereafter knowingly or intentionally introduces or transports in this state any tree, shrub or plant grown or propagated in the territory described in such pro-

Duty of town-
ship, village
and city
officers in
infected dis-
tricts.

§ 7423. Sec. 13. In any township, village or city in this state in which the insects known as the San Jose scale, and canker worm, or the diseases known as peach yellows, rosette, little peach, black knot and pear blight, or any other destructive insects or dangerously infectious diseases exist, or in which there is good reason to believe they exist, or danger may be apprehended of their introduction, it shall be the duty of the township board, or the village, or city council, as soon as such information becomes known to such board or council, or any member thereof to appoint three competent freeholders of said township, village or city, to be known as fruit and orchard inspectors, who shall hold office during the pleasure of said board or council: *Provided*, That inspectors already appointed and in office under similar and previous acts shall continue in said office under this act until the expiration of the term for which they were appointed.

To appoint
inspectors.

Proviso.

Inspectors,
duty of.

§ 7424. Sec. 14. It shall be the duty of said inspectors, within ten days after appointment, as aforesaid, to file their acceptance of the same with the clerk of said township, village or city, and said clerk shall be ex-officio clerk of said board of fruit and orchard inspectors, and he shall keep a record of the proceedings of said board in a book to be provided for the purpose and shall file and preserve all papers pertaining to the duties and actions of said inspectors, or either of them, which shall be a part of the records of said township, village or city.

Clerk to keep
record of pro-
ceedings.

When in-
spectors to ex-
amine trees.

§ 7425. Sec. 15. It shall be the duty of the township, village or city inspectors, or any one of them, whenever it comes to their notice that any of the dangerously injurious insects or diseases, mentioned in section thirteen of this act, exist, or are supposed to exist, within the limits of their township, village, or city, to proceed without delay to examine the trees, shrubs, vines, plants or fruits, supposed to be infested or infected, and, if destructive insects or a dangerously infectious disease is found to exist, a distinguishing mark shall be placed upon the trees, shrubs, vines or plants, and a written notice shall be served upon the owner, or his agent.

Mark placed
on infected
trees.

This notice shall be as provided for in section twelve of this act. In case the owner refuses to accept the opinion of a single inspector, regarding the nature of an insect or disease, or the remedy that shall be employed, he may, within two days, appeal to the other inspectors in the township, village or city, by serving a written notice of such appeal upon each of them. Upon receipt of such notice of appeal, it shall be the duty of each and every inspector, if he has not already done so, to examine the trees, shrubs, plants or vines, supposed to be infested or infected, and if all or a majority of said inspectors agree that a dangerous insect or disease is present, they shall serve notice upon the owner or his agent as above. If the decision of the full board of inspectors is still unsatisfactory to the person in charge, he may, within twenty-four hours, make an appeal to the State Inspector of Orchards and Nurseries (Commissioner of Agriculture), who shall at once investigate the matter and order the proper treatment, and his opinion and orders shall be final. If the members of a township, village or city board of fruit and tree inspectors are unable to agree, or are in doubt, regarding the nature of an insect or disease, or the treatment that should be given, they may call upon the State Inspector of Orchards and Nurseries (Commissioner of Agriculture) for information and advice. In cases where an owner appeals to the full board of township, village or city inspectors, or to the State Inspector (Commissioner of Agriculture), and the findings of the original inspector are approved, the expense incurred as the result of the appeal shall be paid by the owner, and, in case of his refusal to do so, the amount shall be certified to the township board, or village or city council, which shall allow the same and assess it as a special tax upon the property.

How owner may appeal from opinion of inspector.

Duty of inspectors upon appeal.

When owner may appeal to state inspector.

Inspectors may obtain advice from state inspector.

When owner to pay expense of appeal.

§ 7426. Sec. 16. In case the owner, or the person in charge of trees, shrubs, vines, or plants, infested with a destructive insect, or a dangerously contagious disease, refuses or neglects to carry out the orders of the State Inspector (Commissioner of Agriculture), or of the township, village, and city inspectors, within the period stated in the notice served upon him, the state, township, village, or city inspectors, respectively, shall employ such aid as may be necessary to carry out their orders and recommendations. In case the owner refuses to reimburse them for the expense incurred, it shall be certified to the township board, or village, or city council, who shall allow it, and spread it as a special tax upon the property concerned.

How orders of inspectors made effective.

Expense, levied as special tax.

§7427. Sec. 17. The State Inspector of orchards and nurseries (Commissioner of Agriculture) and his deputies, assistants and employes, shall have authority to enter upon any premises in the state for the purpose of examining the trees, shrubs, plants and vines, for the presence of destructive insects and diseases, and, if any such insects

- or diseases are found, may, under the provisions of this act, take such steps as may be necessary to exterminate them.
- Authority of township, etc., inspectors. Township, village and city inspectors shall have the same authority within the limits of their respective jurisdiction.
- No damage awarded for destruction of trees. No damage shall be awarded for the destruction of any tree, shrub, plant or fruit, or for injury to the same, if done by the inspectors and their assistants in accordance with the provisions of this act: *Provided*, It is deemed necessary in order to suppress dangerous insects and diseases.
- Proviso. § 7428. Sec. 18. The township, village and city fruit and tree inspectors shall be allowed for services under this act three dollars for each full day and one dollar fifty cents for each half day, and their per diem and other charges and disbursements hereunder shall be audited by the township board or village or city council.
- Inspectors, salary of. § 7429. Sec. 19. Persons, firms or corporations engaged in growing or selling plants commonly grown in greenhouses shall not be required to take out a license: *Provided*, They do not grow or handle nursery stock, and certificates of inspection are not required under this act for the shipment of greenhouse plants.
- Who not required to take license. Proviso. § 7430. Sec. 20. Any person or persons, firm or corporation, who may fail to comply with any of the provisions of this act, shall be deemed guilty of a misdemeanor and shall be punished by a fine of not less than ten dollars and not exceeding one hundred dollars, or by imprisonment in the county jail for not less than ten nor more than ninety days or both such fine and imprisonment, in the discretion of the court, and jurisdiction of the court, and jurisdiction is hereby conferred in these cases upon any justice of the peace, or other competent court, of the township, village, or city, where such trees, shrubs or plants may be, or where such nursery stock or fruit is grown, sold, shipped, disposed of, or delivered, contrary to the provisions of this act. In all cases where a complaint is made under the provisions of any section of this act, by any State, township, village or city inspector, said complainant shall not be required to furnish security for costs. In construing and enforcing the provisions of this act, the act, omission or failure of any official, agent or other person acting for or employed by an association, partnership or corporation within the scope of his employment or office shall, in every case, also be deemed the act, omission or failure of such association, partnership or corporation, as well as that of the person.
- Penalty.

For preventing the manufacture, sale or transportation of adulterated or misbranded Paris greens, lead arsenates, and other insecticides, and also fungicides, and for regulating traffic therein.

Section 1. *The People of the State of Michigan enact:* Adulteration unlawful.
It shall be unlawful for any person to manufacture, sell, offer or expose for sale within the State of Michigan any insecticide, Paris green, lead arsenate, or fungicide which is adulterated or misbranded within the meaning of this act; and any person who shall violate any of the provisions of this act shall be guilty of a misdemeanor and upon conviction thereof shall be fined not to exceed two hundred dollars for the first offense, and upon conviction for each subsequent offense shall be fined not to exceed three hundred dollars, or sentenced to imprisonment in the county jail for a period not exceeding ninety days, or both in the discretion of the court. Penalty.

Sec. 2. The State Board of Agriculture (Commissioner of Agriculture) shall make uniform rules and regulations for carrying out the provisions of this act, including the collection and examinations of specimens of insecticides, Paris green, lead arsenates, and fungicides manufactured or offered for sale in the State of Michigan. Uniform rules, etc.

Sec. 3. The examination of specimens of insecticides, Paris greens, lead arsenates and fungicides shall be made at the Agricultural College (Department of Agriculture) by such existing departments as may be directed by the State Board of Agriculture (Commissioner of Agriculture) for the purpose of determining from such examination whether such articles are adulterated or misbranded within the meaning of this act; and if it shall appear from any such examination that any of such specimens are adulterated or misbranded within the meaning of this act, the State Board of Agriculture (Commissioner of Agriculture) shall cause notice thereof to be given to the party from whom such sample was obtained. Any party so notified shall be given an opportunity to be heard, under such rules and regulations as may be prescribed as aforesaid, and if it appears that any of the provisions of this act have been violated by such party, then the State Board of Agriculture (Commissioner of Agriculture) shall at once certify the facts to the attorney general, or prosecuting officer of the county in which the offense is committed, with a copy of the results of the analysis or the examination of such article duly authenticated by the analyst or officer making such examination under the oath of such officer. After judgment of the court, notice shall be given by publication in such manner as may be prescribed by the rules and regulations aforesaid. Examination of specimens. Hearing.

Prosecutions. Sec. 4. It shall be the duty of the attorney general or other prosecuting officer to whom the State Board of Agriculture (Commissioner of Agriculture) shall report any violation of this act, to cause appropriate proceedings to be commenced and prosecuted in the proper courts of the State of Michigan without delay, for the enforcement of the penalties as in such case herein provided.

Terms defined. Sec. 5. The term "insecticide" as used in this act shall include any substance or mixture of substances intended to be used for preventing, destroying, repelling or mitigating any insects which may infest vegetation, man or animals, or households, or be present in any environment whatsoever. The term "Paris green" as used in this act shall include the product sold in commerce as Paris green and chemically known as the aceto-arsenite of copper. The term "lead arsenate" as used in this act shall include the product or products sold in commerce as lead arsenate and consisting chemically of products derived from arsenic acid (H_3AsO_4) by replacing one or more hydrogen atoms by lead. The term "fungicide" as used in this act shall include any substance or mixture of substances intended to be used for preventing, destroying, repelling, or mitigating any and all fungi that may infest vegetation or be present in any environment whatsoever.

Adulterated paris green defined. Sec. 6. For the purpose of this act an article shall be deemed to be adulterated, in case of Paris green:

First, If it does not contain at least fifty percentum of arsenious oxide;

Second, If it contains arsenic in water-soluble forms equivalent to more than three and one-half percentum of arsenious oxide;

Third, If any substance has been mixed and packed with it so to reduce or lower or injuriously affect its quality or strength.

In the case of lead arsenate:

First, If it contains more than fifty percentum of water;

Second, If it contains total arsenic equivalent to less than twelve and one-half percentum arsenic oxide ($As_2 O_5$);

Third, If it contains arsenic in water-soluble forms equivalent to more than seventy-five one hundredths percentum of arsenic oxide ($As_2 O_5$);

Proviso, water.

Fourth, If any substances have been mixed and packed with it so as to reduce, lower, or injuriously affect its quality or strength: *Provided, however,* That extra water may be added to lead arsenate (as described in this paragraph) if the resulting mixture is labeled lead arsenate and water, the percentage of extra water being plainly and correctly stated on the label.

Insecticides, other than Paris green.

In the case of insecticides or fungicides, other than Paris green and lead arsenate:

First, If its strength or purity falls below the professed standard or quality under which it is sold;

Second, If any substance has been substituted wholly or in part for the article;

Third, If any valuable constituent of the article has been wholly or in part abstracted;

Fourth, If it is intended for use on vegetation and shall contain any substance or substances which, although preventing, destroying, repelling, or mitigating insects, shall be injurious to such vegetation when used as recommended by the manufacturer.

Sec. 7. The term "misbranded" as used herein shall apply to all insecticides, Paris green, lead arsenates, or fungicides or articles which enter into the composition of insecticides or fungicides, the package or label of which shall bear any statement, design, or device regarding such article or the ingredients or substances contained therein which shall be false or misleading in any particular, and to all insecticides, Paris green, lead arsenates, or fungicides which are falsely branded as to the state, territory, or country in which they are manufactured. For the purpose of this act an article shall be deemed to be misbranded, in the case of insecticides,

False branding defined.

Paris greens, lead arsenates and fungicides:

First, If it be an imitation or offered for sale under the name of another article;

Second, If it is labeled or branded so as to deceive or mislead the purchaser, or if the contents of the packages as originally put up shall be removed in whole or in part and other contents shall have been placed in such packages;

Third, If in package form, and the contents are stated in terms of weight and measure, they are not plainly and correctly stated on the outside of the package; in this connection it is held to be permissible to state the average net weight of the package.

In the case of insecticides (other than Paris green and lead arsenates) and fungicides:

First, If it contains arsenic in any of its combinations or in the elemental form and the total amount of arsenic present (expressed as per centum or metallic arsenic) is not stated on the label;

Second, If it contains arsenic in any of its combinations or in the elemental form and the amount of arsenic in water-soluble forms (expressed as percentum or metallic arsenic) is not stated on the label;

Third, If it does not state plainly upon the label the correct names and percentage amounts of each and every ingredient of the insecticide or fungicide having insecticidal or fungicidal properties and the total percentage of inert ingredients present.

Sec. 8. No dealer shall be prosecuted under the provisions of this act when he can establish a guaranty signed by the wholesaler, jobber, manufacturer, or other party residing in the State of Michigan from whom he purchased such articles, to the effect that the same is not adulterated or misbranded

Guaranty.

within the meaning of this act, designating it. Said guaranty, to afford protection, shall contain the name and address of the party or parties making the sale of such articles to such dealer, and in such case, said party or parties shall be amendable to the prosecutions, fines, and other penalties which would attach in due course to the dealer under this act.

"Person"
defined.

Sec. 9. The word "person" as used in this act, shall be construed to import both the plural and the singular, as the case demands, and shall include corporations, companies, societies, and associations. When construing and enforcing the provisions of this act, the act, omission, or failure of any officer, agent or other person acting for or employed by any corporation, company, society or association, within the scope of his employment or office shall in every case be also deemed to be the act, omission, or failure of such corporation, company, society, or association as well as that of the other person.

Expense,
how paid.

Sec. 10. The necessary expense incurred in carrying out the provisions of this act, shall be paid by warrant of the auditor general drawn upon the state treasurer. Such expenses shall be certified to the auditor general by the State Board of Agriculture (Commissioner of Agriculture) but the total amount to be paid in any one fiscal year shall not exceed five hundred dollars.

Act repealed.
